神or悪魔？ GOD doesn't play DICE

前情介绍

☆立花绊在一个被叫做「幽灵图书馆」的洋房，遇见了一个奇妙男子——流。

☆流转入了绊的班级，并且渐渐成为了让绊在意的存在。可是，流其实是不老不死之身。那其实是一个如是命运中的对象对自己说了「喜欢」，自己就可以死绊，但同时对方就会变成不老不死之身，然后再和转生的自己相遇，这样一个循环诅咒。而且，流的那个命运之人就是绊。他们两人就这样超越时空，数次坠入爱河。流爱上了绊前世的那个少女，眼睁睁看着她在自己眼前消失。也就是说，如果绊发自内心对流说「我喜欢你」的话，流也会消失，知道了流的自的是「想死」的绊很受打击，苦恼的绊吻了流，包含着无法付注语言的感情——

If I keep on feeling this way...
You look beautiful, Juliet.
Hans... Why are you here ...?
What a coincidence.
This seems just like ...
But I didn't think I'd be a fairy godmother today.
I heard a girl's cry for help.

Another similar person centuries before.
This must've been a fated meeting.
Hans, I'm begging you,
Please lift the curse.
If it was you who placed the curse, then you must know the way to remove it, don't you?
If you don't lift the curse,
I might cause Ruu to disappear ..
I... definitely can lift the curse.
However, Kizuna...

I am a demon.
If I help humans,
I will also disappear from this world.
For example, giving up your life for me.
However... If you can provide me a thing in return, then it's a totally different thing
A sacrifice?
Yes,
Eh...
Hans isn't immortal?
So long as I am dead, the curse will be lifted.
Then kill me.

The human-loving Hans... is not a bad person.
I will definitely find a way for everyone to be happy.
So,
I'm sorry, please forget about the things I said earlier.
Let's go

Are you the type of girl who treats feelings lightly?
How can I possibly be?
If this is all just an act and I really did dislike you,
Then I would have definitely not put an unhappy expression.
THE AUDIENCE'S RESPONSE IS REALLY Good.
But I don't wish to do that at all,
Because I...
STOP
I can't possibly say those lines...
What do I do,
...like you."
Juliet...
If I say that, he'll...
IT'S "I LIKE YOU"!
But those lines were so easy!
OH NO, SHE FORGOT HER LINES!!

Ruu, have you not changed your mind?
You wish to die, don't you?
Do you really have no reason to live in this world?
.....
...Towards me...
Don't you share the same feelings?
SWISH
I...

And then?
Haha
Let's just get the errands done with already
I don't know,
Ah,? There was someone talking here right?
Okay

I want to live beside you, Kizuna.
I don't want to die.

I love you.

So that I could finally find peace.
From the very beginning, all I wanted was for you to like me quickly,
Ruu...
I didn't know... that I could possibly like you back as well.
Prince Ruu, are you inside?
Please go back to the backstage.
Once I'm done with this balcony stage,
I'll go away from here.
...I...
HEY,
WHAT ARE YOU TALKING ABOUT...

I won't see you again, Kizuna.
BA-THUMP
Huh...
You'll fall in love with another guy,
And live a long life dying beside him.
I'll be in some place faraway wishing for your happiness,
Continue living my life.
No!

Wait,
Kizuna..
Thank you.
Please don't go...
I can't go out like this.
No...

Yet there was nothing that I could do.
Feel free to ask me for help
If there's anything that I could help you with,
I promised that I would help him.
You're so quick!
Thank you!
I'll put the props over here.
I don't want things to end like this...
Is it impossible for fate to change?
Let me help this...
Is there really nothing that I could do?

Hey, Hans.
That...
Yeah.
Is it okay if I place it here?
You said that all you needed was a sacrifice, right?
Move quickly!
There's still ten more minutes to go!
Please put Ruu's curse on me.
If it's possible...

The curse should've been placed on me from the very beginning anyways.

I'm sorry...

This warm feeling...
It's hot...
What's happening?
It's as if there's something overflowing inside me.
How cruel, leaving me alone in this world.
The poison... One swallow and you would leave this world.
If I kiss you, I would get a drop of it and die as well.
